## HOLLY PRUETT Life-Cycle Celebrant®

Unique, personalized celebrations of organizational milestones, created to reflect the values of your organization, business, or community.

For 25 years I've served the community as a non-profit leader and consultant. Now I'm offering my skills as a ceremony specialist to businesses and community groups seeking to commemorate new beginnings, transitions, losses, and accomplishments.

I also perform weddings, funerals, and other ceremonies for individuals and families.
